* It should be noted that a household meeting either the residence or local connection condition may specify up to three areas of choice for receipt of support in the areas of all local authorities in the county and city concerned and, if qualified, will be entered on the housing waiting list of each of those local authorities. Accordingly, under existing arrangements, a household that applies, for example, to Dublin City Council can, if qualified for support and should they choose to do so, be entered on the waiting list of three of the four local authorities in Dublin city and county (same applies in Cork and Galway).
